

at a glance...

1st quarter 2021

The official quarterly report of the Ellis County Department of Development. All numbers are cumulative through the end of each reporting quarter.

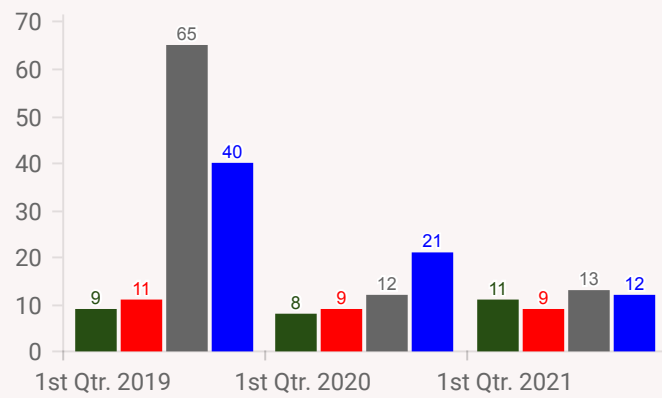

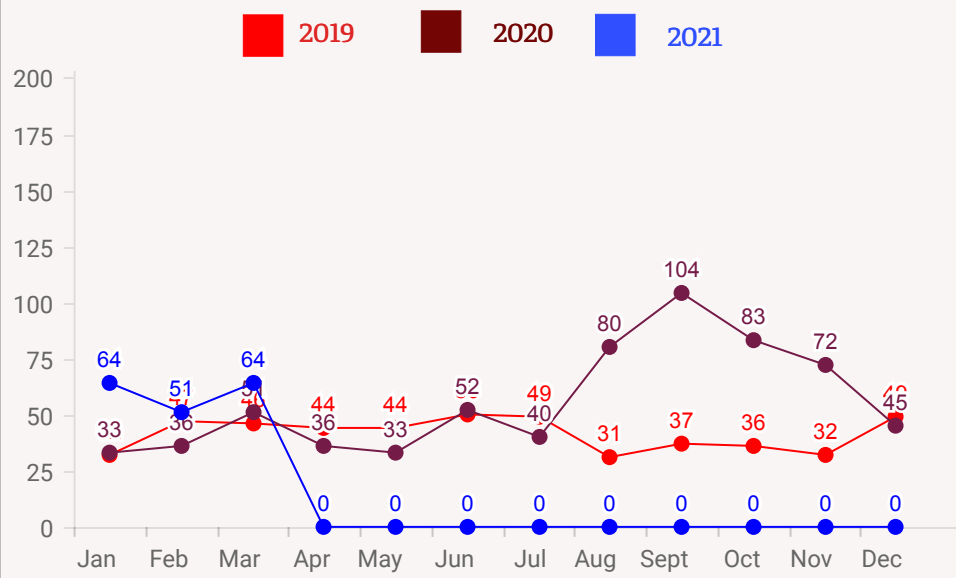

single family residential permits

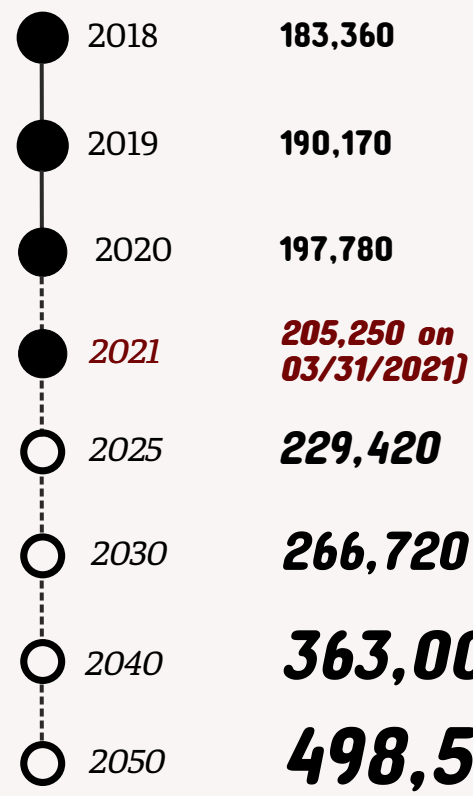

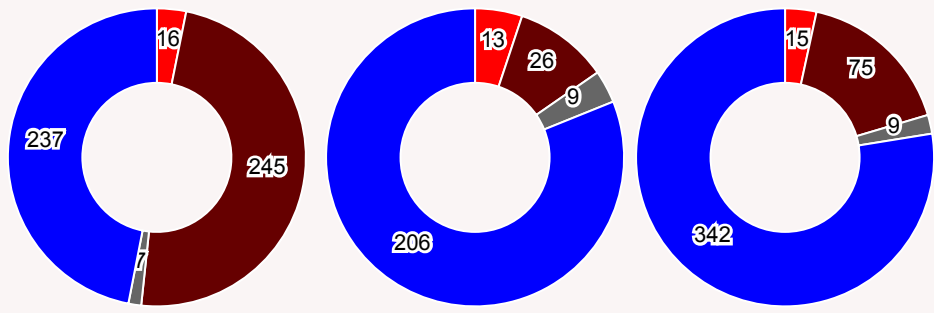

staff workload

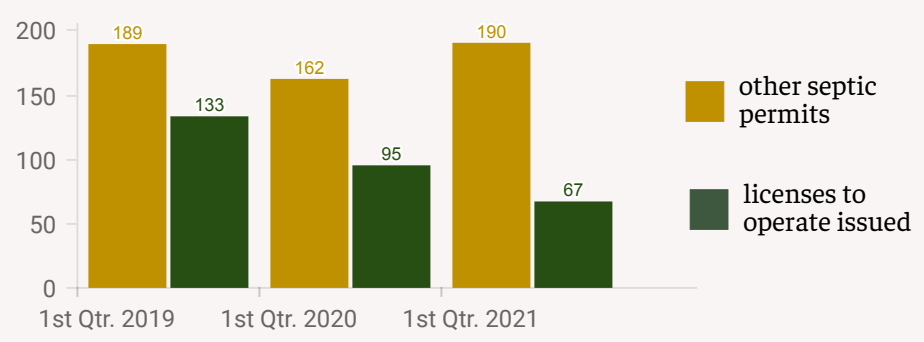

septic permits

overall complaints

population projections*

*Projections are generated using the NCTCOG population estimates and then ran using two (2) growth models: 2%, and 4% growth scenarios. These numbers represent an average of those models.
